

**5th SCHOOL OF UROGYNECOLOGY:
OBSTETRIC ANAL SPHINCTER INJURIES,
THIRD AND FOURTH DEGREE PERINEAL
TEARS: HANDS-ON WORKSHOP**

Faculty of Medicine, University of Maribor, August 25th, 2025

Dear colleagues,

We are delighted to invite you to our 5th School of Urogynecology: **Obstetric Anal Sphincter Injuries, Third and Fourth Degree Perineal Tears: Hands-on Workshop**. Recognizing obstetric anal sphincter injuries and their repair is a skill that needs to be mastered by every obstetrician and gynecologist who works in labour and delivery ward.

Workshop will be conducted by our distinguished guests, **Ranee Thakar and Abdul Sultan**, who are world-leading experts in this field and have conducted more than 180 such courses.

We are looking forward to welcoming you in Maribor!

Assist. Prof. Tamara Serdinšek, MD, PhD,
Meeting Chair

Assist. Rok Šumak, MD,
Meeting Co-chair
