

The floor plan illustrates a medical facility layout. At the top, there are four elevators (Dvigalo) and a staircase (Stopnišče). The main corridor (Hodnik) runs horizontally. To the left of the corridor, from top to bottom, are: a Consulting room (Zdravniška soba), an Ambulance (Ambulanta), a Nurse's station (Sestrski prostor), a Bathroom (Kopalnica), and another Staircase (Stopnišče). To the right of the corridor, from top to bottom, are: a Patient room (Bolniška soba), an Unclean room (Nečisti prostor), a Toilet (WC), a Storage room (Skladnica), and a Terrace (Terasa). The plan also shows various other rooms like a Consulting room (Zdravniška soba), a Nurse's station (Sestrski prostor), a Bathroom (Kopalnica), and a Staircase (Stopnišče) at the bottom. The layout is designed for efficient patient flow and medical services.
